How to wear the Stone

To obtain the full benefic effects of stone, wear it while Moon is waxing on the specified day & time. Wearing it in the specified Nakshatra enhances the benefic effects of the stone. Take the stone of the size specified or greater in fractions of 1/4 Ratti rejecting fractions of 3/4 Ratti like 4-1/4 Ratti. Get it studded in the specified metal such that it touches the finger from bottom.

Before wearing it, light lamp and incense stick and meditate on your God. Clean the ring in fresh milk and the Ganga water. Perform pooja and recite the specified mantra 108 times. Then wear the stone in the specified finger of your right hand. After wearing the ring give alms as specified for that stone.

If you are already wearing a stone then avoid wearing a contradictory stone as per the table below. By wearing the stone as specified here gives more benefic results in much lesser time.

Remedies for Sade-Sati

Ill effects of Saturn's sade-sati can be reduced by giving alms, performing pooja, fasting or reciting mantra. Give alms of black cloth, Urad pulse(horse-bean), black mole, leather shoes, cereals or iron as per your capacity. Perform pooja of Lord Saturn on Saturdays. Keep fast on Saturdays. Restrict your food to Urad pulse, grams, gram flour, blackmole, black salt and fruits. Recite or get it recited by a Brahmin the following mantra for 23000 times on Saturday:-

ॐ प्रौं प्रीं प्रों सः शनैश्वराय नमः

To get benefic effects of sade-sati on health, mental peace, family happiness, finance & profession you are suggested for Maha-mrityunjaya Japa. Get the following mantra enchanted for 125000 times.

ॐ त्र्यम्बकम् यजामहे सुगन्धिं पुष्टिवर्धनम्
उर्वारूकमिव बन्धनात् मृत्योर्मुक्षीय मङ्गमृतात्

Optionally enchant 108 times the following mantra everyday in the morning:-

ॐ हों जूं सः ॐ भूर्भुवः स्वः ॐ

You are also suggested to wear an iron ring made of horse-shoe or nail from a boat. You are suggested not to wear Blue Sapphire since Saturn is not a benefic planet for you. Wear the iron ring in middle finger of right hand.

Wear this stone in waxing moon on Saturday in the evening half an hour before sun set. Pushya, Anuradha or Uttara Bhadrapad nakshatra on that day is preferred. Keep fast on that Saturday.

Before wearing the ring, clean it in fresh milk and Ganga water, light incense stick, perform pooja and recite the following mantra 108 times:-

ॐ शं शनैश्वराय नमः

After wearing the ring give alms. This will reduce the ill effects of Saturn giving peace and prosperity.

House 1 or the lagna is the most important house and being the first house all subsequent houses stand in relation to it. Everything depends upon the strength or otherwise weakness of this house. Planet positioned in this house aspects the planets positioned in house no. 7 and unburdens itself to some extent provided the house no. 7 is occupied and not vacant otherwise the planet becomes inactive or weak. This is also true if the lagna is not occupied.

This house has a special relationship with house no. 11 i.e. if house no. 11 is not occupied the planet in lagna gives good results. If there are a two or more planets in lagna Venus becomes the judge to decide about the nature of results. This means that Venus being the natural ruler of house no. 2 or the Dharmasthana or the place of worship, our own deeds or misdeeds come to play their part in the struggle for liberation.

Sani

1st house is influenced by Sun and Mars. Saturn in 1st house will give good results only when 3rd, 7th or 10th houses are not inhabited by any planet which is inimical to Saturn. If Mercury or Venus, Rahu or Ketu is in 7th house, Saturn will always give good results. In case Saturn is malefic and the native has a hairy body, the native will

House no. 2 is called the Dharmasthana or the place of worship. This is the house that stands for the fruits of the karmas or the deeds and misdeeds of the native. Here is the seat of Jupiter or the Jagat-Guru or the preceptor of the world at large. It also has the portfolios of wealth, education, honour and mind. For good results of house no. 2 the house no. 8 should be vacant. The results are likely to get better if house No. 2 is also vacant.

According to LalKitab if there are severe misfortunes due to the weakness of Dharmasthana or the Jagatguru or Venus, 4th house comes to the rescue. In times of adversities one should look towards the strengths of its natural significator or Moon who stands for mother as well as morality and mind. Perhaps mother's blessings may help the native tide over his/her difficulties.

*घर तीजा है पक्का मंगल धन-दौलत के जाने का ।

इस घर का जो रंग है खूनी असर होता भी खूनी है ।

Lal Kitab refers to house no. 3 as the the house of illness. As illness is one of the routine ways of exit one has to judge the illness and diseases from this house. This is an inauspicious and malefic house that way. Malefic in Dusthanas or inauspicious houses are normally considered to be a good placement.

According to Lal Kitab physical illness may happen when house 3 is occupied by Rahu or Ketu and houses 6 and/or 8 by malefic. In adversities this house gets strength from 12th house even though the planets in 12th house are enemies of the planets in the 3rd house. For ex. if Ketu occupies house 3 and Mars house 12, Mars being enemy of Ketu will always help Ketu in emergencies. Likewise Jupiter in the 3rd house and Mercury his enemy in 12th house, will not be able to cause any harm.

Rahu and Venus in 12th house normally govern the ill health of the partner, wife or husband - in 24/25th year of the native. On the other hand there will be all round happiness and prosperity. If the houses are occupied by two or more planets we have to assess the harm, in any, in respect of each planet and then draw our final conclusions. Mercury is the lord of 3rd house, Mars its natural Significator and Rahu shall have the dignity of exaltation.

Mang

The 3rd house is affected by Mars and Mercury, who provide brothers and sisters to the native i.e. the native will not be the only issue of the parents. Others will be highly

If one gets physically involved with other person, one will have to live in subservience to the spouse; otherwise one will always dominate the spouse, though the spouse may be dominating everyone else coming into their contact. The spouse of the native would be courageous, supportive and helpful to the native like second bullock of the cart. He will be saved from deceit, theft and harm from others.

Remedies

Respect and never insult your spouse.

Avoid flirting with the person of opposite gender.

House No. 4 is the period of childhood and the prenatal period. It also covers the old age. Moon is the lord and natural significator of this house. As per Lal Kitab Moon and other planets too positioned in this house are strong by the night and also when there is some trouble. For the pre-natal period if any of the planets Jupiter, Sun, Mars or Mercury are in 4th house, the child will be safe and healthy in mother's womb before birth and even Rahu or Ketu would not be able to spoil that.

No planet gives bad effects to the affairs of this house if Moon does not occupy any of the house No. 1, 4, 7 or 10. Even the rank malefic like Rahu and Ketu become benefic for this house if Moon does not occupy any of the quadrangular houses. The bad effects of planets in house No. 4 are transferred to the affairs of the house occupied by Saturn. Jupiter gets exalted if positioned in 4th house.

Budh

With budh in the 4th house the native is considered fortunate, very dear to the mother, good trader and receives favours from the government. However budh in this house later affects the income and health adversely.

House No. 5 is the house of progeny, the future of the native and welfare of children. How the native fares in this world shall be known from this house. Sun is the lord of this house. Jupiter is the karak graha or the natural significator of this house. So long as Jupiter is in good position there shall be peace and prosperity. This means that Jupiter should be benefic by his placement and position in the annual progressed charts.

If house 4 or 9 is afflicted the planet in house 5 shall give bad results. In case house No. 5 is occupied by Rahu and Saturn, Venus in 11th house, Ketu in 8th and Jupiter in the 10th house there shall be illness initially to the partner and thereafter the son is likely to suffer. For this loaves of bread or flour of the weight of the son should be given to dogs for 25 to 48 days.

If houses 6 and/or 10 are afflicted the articles connected with the planet inimical to the planet in 5th house should be kept under ground in the native's own house. If house No. 8 is also afflicted the article should be kept under ground in the ancestral house.

The native is unlucky for ones sons.

House No. 6 is known as the hidden world, treasure house of mercy and providential help. It is ruled by Mercury and hence the planet here is likely to afflict the results of house occupied by Mercury, Ketu or Venus. This house is inspected by the planets in house 2 and house 8 through 2nd house. If house 6 is unoccupied there may be no transfer of the afflictions between 8th and 2nd houses. There may also be no aspect from 6th house to 12th house, therefore the planets in 2nd and 12th houses will get extra strength.

If Mercury or Rahu happen to be in house 6 there would be no bad effects of the malefic on the house because it is the house of exaltation for both of them. Ketu is the natural significator of the affairs of the house. As per Lal Kitab houses 2, 6 and 8 are mutually inter-connected with each other. While attempting and modification in any of the houses including the 6th house we have to keep in view all the three houses.

If houses 2 and 3 are occupied by benefics it would always be helpful to awaken house 6. This is possible by serving the maternal uncles (helping them) or serving the daughters of the daughter. Except Sun, Jupiter and Moon all the other planets in 6th house would be offering their own results.

Mercury and Ketu will not offer good results till the age of the planet in house 6 or 8. The question of the ages of planets will be dealt with at its proper place. Although the planets in house No. 6 are aspected by the planets in house No. 2 but the position

House 7 deals with family affairs, where the native has to struggle hard for fulfilling material wants of bread, clothing , housing etc. The native gets ground between the earth and the sky for food . Here Akaash, Zameen, Rizque and Akal have been used metaphorically for Venus and Mercury because both these planets are the natural signifiers and Venus is also the lord of the house. The native sweats out in search of food, clothing etc. Sun, Moon and Rahu offer the results according to the placement and position of Venus.

If these results are bad one may try some remedial measures and they shall be set right or improved but bad results due to the position of Venus cannot be improved or mitigated by remedies. In other words these results shall come to pass and the remedies may not prove fruitful. Mercury, Saturn and Ketu shall give their results at various periods.

Normally the male planets affect the male relations and the female affects the female ones. In house 7 if the planets are more than two in number only the male relatives are affected. Sun, Mars and Jupiter are the male planets. Moon and Venus are females.

House 8 is more into physical health and justice. Here justice means eye for eye and tooth for tooth. In other words the justice is on the basis of tit for tat. This house is shared jointly by Mars and Saturn. Both are the natural significators of the house if Sun, Moon and Jupiter singly or jointly occupy this house the bad effects remain limited to house 8 and its affairs. Saturn, Moon or Mars occupying this house singly give only good fruits. If, however, any two or all the three together join in this house they give bad results. Saturn may give severe physical problems one after the other. Moon shall affect the illness of the person.

Mars and Mercury occupying the house jointly give good results only if Saturn occupies house 2. House 8 has its influence on house 6. If any of these houses is afflicted the results will be bad for both the houses. In such cases friendly or inimical planets in 12th house which may influence the results should also be judged.

Moon is the most powerful planet for the affairs of 8th house. Moon by strength of his placement and position can undo the ill of 12th house also. The cause of the malefic nature of 8th house will be house 4 through house 2, i.e. the houses 2, 4 and 8 should be judged simultaneously. The planets in house 8, if inimical to planets in 2nd house and 11th will strike at the most vulnerable point.

Any of the planets who have been dormant till its transit in house 9 and getting active will give results at his own age till his period is completed.

Every planet has been assigned a particular period of age. By way of illustration, if Jupiter is in house 2 and transits the house in the progressed chart he will give results at the age of 16 and continue to do so till 16 years. Planets occupying house 5 aspects the planets in house 9. If Sun or Moon occupy house 9 there will be no bad effects of even Rahu and Ketu. Jupiter is the owner of this house.

House 10 is treated as the ground for the foundation of luck. The planet transiting through this house, according to the progressed chart, becomes a doubtful planet. Nobody can be sure about the nature of the results to be given by that planet. The planet in house 9 at the time of its transit from house 10 will give bad results even though the planets in house 6 & 5 are the friends.

The nature of results would depend upon the nature of houses 8 and 2. The results will be bad if house 8 is afflicted and good if house 2 is in good shape. If house 10 is occupied by inimical planets their results shall be unpredictable. An idea of the nature of results can be formed from the position and placement of Moon. If Moon is benefic good results shall be obtained. In case house 10 is unoccupied the planets in house No. 4 will not be able to give good results. Saturn is the natural significator of this house.

House No. 11 indicates all about the native's status and condition. Personal income and earnings of the native and his relation with the world at large can be judged from this house. The results of Rahu and Ketu, if occupying the house, can be judged and they will be good normally if house No. 3 is vacant. They will however, give bad results in house No. 8. Ketu in house No. 11 would nullify the good effects of Moon and if Rahu occupies the house Jupiter's good results would be spoilt. Vice versa in each case would also be true.

Lal Kitab has given great importance to this house and planets in it. Even Rahu and Ketu give good results. If Rahu is a benefic the native shall not accept a single penny from his parents and whatever he gets will be lost to him due to one reason or the other; but all that he earns by the sweat of his own brow will be with and give him pleasure.

Guru

Jupiter in this house affects the things and relatives of one's enemies very adversely. Consequently, the spouse of the native may become miserable. Similarly, sisters,

daughters and father's sisters will also remain unhappy. The native may become a debtor even if Mercury is wellplaced. The native will be comfortable only as long as the father lives with the native in a joint family along with brothers, sisters and mother.

Remedies

Always wear gold on your body.

Put on a copper bangle.

Watering a Pipal tree would prove beneficial.

Rahu

11th house is influenced by both Saturn and Jupiter. Native could be rich as long as father is with native. Alternatively, establishing things of Jupiter would help. Native has wicked friends, gets money from mean people. If one is living without father one should wear gold in the neck. If Mars is malefic for a native with Rahu in 11th at time of birth, there is everything in the house, but everything gets destroyed later. There may be diseases of ear, spine, urinary problems etc. There may be losses associated with business concerned with Ketu.

Remedies

Wear iron. Use silver glass for drinking water.

Never take any electric equipment as a gift.

Do not keep blue sapphire, ivory or toys in the shape of an elephant.

House No. 12 is the place of final rest according to the deeds or misdeeds of the native. House 10 reflects the physical valour etc. of the native but 12th deals with the character etc. If houses 2, 6 and 8 are occupied the native has good character. If houses 2 and 8 are occupied and there is no planet inimical to planet in 8th house the person shall command a keen intellect of very high order. If the life span is divided into 4 compartments we can judge how the native shall fare by the houses 1 to 3, 4, to 6, 7 to 9 and 10 to 12 in each part of his life respectively. Planet in No. 11, its position and placement shall give a glimpse of worldly status of the native. This can be modified by the condition of house No. 12.

For improvement of the position of 12th house one should look to house No. 1 and its planets, i.e. we can improve and get better results in house No. 12 if we can somehow improve the position of planets in lagna. If lagna is vacant we should go to house No. 2 for improvement.

Biorhythm is widely accepted and utilized throughout the world. Biorhythms are inherent cycles which regulate our metabolism, coordination, emotions, memory, and more. As our biorhythm cycles rise and fall, so does our ability to perform physical activities, deal with both physical & emotional stress, and take proper decisions.

The numbers from +100% to -100% indicate where the rhythms are on a particular day. In general, a rhythm at 0% is thought to have no real impact in our life, whereas a rhythm at +100% (a high) would give us an edge in that area, and a rhythm at -100% (a low) would make life more difficult in that area. There is no particular meaning to a day on which your rhythms are all high or all low, except the obvious benefits or hindrances that these rare extremes are thought to have in our life.

Understanding our positive & negative cycles may assist us in planning physical outings, sporting events, exams, and job interviews and all our activities. Understanding our negative cycles may help us avoid accidents, harmful situations & unnecessary grief and misfortune.

While all precautions have been taken for the accuracy of the complex calculations, the maker of these horoscopes makes no warranties, either expressed or implied.

The Heart number is made up from the vowels (a, e, i, o and u) in your full birth name just as it is recorded on your birth certificate.The sum of all of these letter, converted to numbers, and reduced to a single number or a master number is your Soul Urge. This number denotes what you value most regardless of Life Path (what you are from birth) and expression (what you will become in life).

Challenge Number

Challenges are one of the few areas in numerology where we deduct numbers!

Your Challenge Number = 1

The challenge of the number 1 suggests that in these years, you are likely to feel dominated by others with strong influence, probably parents or others with whom you compete. The challenge of the number 1 is avoidance of being dominated, but doing so in a fashion that does not impose upon or dominate others. With the challenge of the number 1 it's extremely important to control the ego, and avoid the negative aspect of individuality. False pride, pomposity, egotism are issues to be guarded against now. You are now in a period of learning about self-reliance and how to solve your own problems independently. Learn to rely on your wit and your intelligence, avoiding argumentation and resentment.

Ultimate Number

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

Your Ultimate Number = 5

There is no slowing you down as you enter maturity. Your influence grows as you become more dynamic and versatile. You now begin to realize your lifelong goal of freedom.

DEMO

First Letter

The first letter of your name (use your first name at birth) is called the Cornerstone. It gives you an indication of your character, particularly in the way you approach opportunities and obstacles.

Your First Letter = D

You are down to earth, practical, efficient, orderly and systematic. You are shrewd and determined. You can concentrate and overcome many difficulties. You have natural authority but can also be stubborn and rigid.

First Vowel

The first vowel of your first name reveals something of your deeper self. It is a big part of yourself that you do not reveal easily or indiscriminately, and it is usually recognized only by your relatives and friends. The first vowel of your name is the little window through which you allow the uninitiated a glimpse at your deeper self.

Your First Vowel = E

First Vowel (E): “E” sits in the South on the Medicine Wheel. The south is concerned with issues of the heart, relationship, and placement (what’s my place in the world, where do I fit?). The “E” as a first vowel helps you to be more expressive and suggests that your first interaction with the world around you is on a feeling level, and through relationships. This includes your relationship with yourself, with others, with your job, with the community, and with society and the world around you. We know our place in the world because of how we relate to other things in the world. So, the “E” as a first vowel tends to highlight this issue of finding your “place” in the world. The “E,” since it is connected with feelings, sometimes indicates that a person is naturally “clairsentient.” In other words, there is an ability to feel what others are feeling around

DEMO

them, an ability to receive information and insight first through feelings before processing these feelings at a cognitive level. ? People with an “E” as a first vowel are often concerned with what people think of them. They want people to “like” them, and will invest lots of energy to make this so – sometimes inappropriately giving too much of themselves to make it happen. If they perceive that somebody doesn’t like them, it can also cause emotional pain and suffering.

Growth Number

By adding the First Name together and reducing it to a final digit we find the Growth Number. The Growth Number adds energy to the core and denotes a pattern that assists us in growth and development. Therefore, we could say that it could be used as a tool to help us on our journey.

Birth Force Period 1

Your First Period Cycle is your month of birth. In the example of October 12, 1936, the 10 for October is reduced to 1.

Your Birth Force Period 1 = 4

Early years: A 4 life path period is not much fun for a young person. It suggests that learning is difficult or the demands placed upon you to learn were harsh and burdensome. Now you have to build a solid foundation and the tone is one of learning practicality, order, and routine. Often this period denotes growing up with limited resources or restrictions of some sort. The demands often set the stage for later successes. You are to be very well prepared to start your career in early adulthood.

Birth Force Period 2

Your Second Period Cycle is your day of birth reduced to a single-digit or until a Master number is encountered (remember: we don't reduce Master numbers). In our example the 12th day computes to a 3 Second Period Cycle.

Your Birth Force Period 2 = 22

The 22 period during the productive years can send you sailing up the ladder. If you are properly prepared and adequately equipped, this period may find you being placed in charge of big projects, accomplishing huge achievements, and functioning or striving for a spot at the top of the heap. The number 22 is the master builder. Having the period doesn't necessarily make you a master builder, but it does produce the flow of events that will certainly speed you on the road to success. This is a time to follow your hunches as you assume greater responsibility and capitalize on opportunities. Keep nerves and emotions under control as these can be a problem during this period.

DEMO

Birth Force Period 3

Your Third Period Cycle is your year of birth reduced to a single-digit or until a Master number is encountered. In our example, 1936 reduces to 1.

Your Birth Force Period 3 = 5

With the 5 period occurring late in life, be prepared for a never ending series of adventures and expansive travel so long as the resources hold out. Actually, however, many with a late life 5 period choose to continue to work because of the sense of freedom found in their endeavors now; so long as the work is not boring or routine, there may be no reason to quit. This influence will continue to send you off to find new challenges and try new things. You are never too old to learn

DEMO

Gem stones have been known and accepted as the objects of energy because of their mystical healing ability. They symbolize peace, happiness and prosperity; they are those cosmic filters which stop vibrations from causing harm. They reduce the ill effects of malefic planets and increase good effects of benefic planets. There are nine gems in general that correspond to nine elements of human body.

In Vedic Astrology prescribing gem stone is one of the important aspects of remedies. According to the classical astrological work following gemstones are associated with each of the planets :

Planet	Ratna	Uparatna
Ravi	Manik	Red Spinel , Red Garnet , Rubellite ,
Chan	Moti	Moonstone ,
Mang	Moonga	BloodStone , Carnelian ,
Budh	Panna	Green Jade , Green Diopside , Green Tourmaline , Peridot ,
Guru	Pukhraj	Citrine , Heliodor , Yellow Topaz ,
Sukr	Heera	Goshenite , Rock Crystal , White Topaz , White Zircon ,
Sani	Neelam	Amethyst , Blue Spinal , Tanzanite ,
Rahu	Gomedha	Spessartite , Orange Zircon ,
Ketu	Lahsuniya	Tourmaline ,

Gem stones are found in many shapes and colors and are of three types mainly : natural , synthetic and stimulant : Natural Gem stones are made up of organic materials like amber, coal, fossil, ivory, mother of pearl etc. and inorganic materials used as faceting, carving rough etc. Synthetic gem stones are grown in laboratory and have same appearance, and have similar optical, physical or chemical properties as that of natural gem stones. Stimulant gem stones are grown in laboratory and look similar to natural gem stones, but they have different optical, physical and chemical characteristics.

Gem stones are divided into two categories : Precious and Semi-Precious Gem Stones: Precious Gem Stones are : Diamond, Ruby, Red Coral, Pearl, Blue Sapphire, Yellow Sapphire, Emerald, Hessonite and Cat's Eye. Semi-Precious Gem Stones are : Red Spinel, Green Jade, Yellow Topaz, Moonstone, Carnelian, Amethyst, White Zircon, Spessartite and Tourmaline Cat's Eye.

In Gemology two different philosophies Anukul vad and Pratikul vad are in practice. Anukul means that a gem stone will act same like its planet, so it should be chosen and worn to strengthen favourable planets. Pratikul means gem stone behaves in opposition to its planet, so it should be chosen and donated to reduce the ill effects of malefic planets; this is termed as "Ratna-Arpana".

IMPORTANT: Which ever Gemstone we choose it must be free of visible flaws in order to properly transmit beneficial astral energy. Following is the quote from the ancient Agni-puranam, (Chapter 246, Verses 7 & 8) :

"A gem free from all impurities

And radiating its characteristic internal luster

Should be looked upon as an "escort" of good luck.

A gem which is cracked, fissured, devoid of luster,

Or appearing rough or sandy,

Should not be used at all."
